

ERGOBAR - ergonomic cargo bar

Product information

The ERGOBAR is a telescopic blocking bar with rubber pads for industrial and urban vehicles. It is used to block the load transported.

The innovation lies in its simplicity of use and its uniform tension which allows a constant blocking.

- Ergonomic Easy and quick to install: One-handed installation
- Effortless tensioning: Handle at arm height, limits MSDs (musculoskeletal disorders)
- 150 daN (1500N): controlled and guaranteed tension for good support

Spare parts Available: rubber pads and handle

Material: Aluminum

Marking: DEKRA
